Wolverines Lose To Winnemucca; Here On Saturday

Local High School Drops Game To Nevada 11 By 52-19 Score

The favored Winnemucca Buckaroos, led by two fine backs and a tough line, punched out a 52 to 19 conference victory last Friday night over the visiting Tahoe-Truckee Wolverines. It was the Bucks' third straight conference win, while the Wolverines now hold down third spot in the race with two wins and two losses.

Winnemucca struck quickly in the first period for three TD's on runs of 26 and 9 yards, and a pass play good for 11 yards and a touchdown.

Tahoe-Truckee opened the second period with a 58-yard drive, with the score being registered by Quarterback Roger Holbrook on a sneak from one yard out. The conversion kick by Mick Hogan was blocked.

Winnemucca jumped right back with a 67-yard attack that was good for six points and half ended with the scoreboard reading 27 to 6 in favor of the Buckaroos. In the third quarter it was once again Winnemucca as they moved 40 yards with Webb and Ryan carrying to go ahead 33 to 6. But seconds later the Wolverines struck pay-dirt as Halfback Bob Sanford took a hand-off from Holbrook, broke cleanly to the side lines and raced 72 yards without a hand being laid on him for a touchdown. The conversion by Hogan was good and the count read 33 to 13.

As the fourth period opened, Sanford once again broke clear on the same play, and behind excellent blocking, ran 59 yards for the Wolverines' final TD. The conversion missed and the score was 33 to 19.

With four minutes to play, Coach Jim Brehler of the Wolverines substituted freely for needed experience purpose and the Buckaroos hit quickly for three scores to run the final count to 52 to 19.

The Wolverines showed good offensive ball but were never able to get the defense working to stop th fast Winnemucca backs. Good play was turned in by Bob Sanford, Mike Vieu, Jim Crawford, Floyd Cooper and Roger Holbrook.

This Saturday the Wolverines play host to the Manogue Miners, who hold a one and three record in conference play to date. Some shifting of personnel is indicated by the Wolverine coaching staff in order to take better advantage of the passing attack as well as the defensive play. Game time is set for 2 p.m. at the high school field.

HOMECOMING DAY AT SCHOOL SAT.

The annual Homecoming game with Manogue will be played Saturday on the local football field. A senior girl will be chosen by the football team as Homecoming Queen and will be crowned by a member of the football team during half time activities.

A float, sponsored by the Block "T," will bring the queen on to the field, surrounded by cheerleaders. Also adding color to the important event will be red and white pom poms that will be sold by the junior class.

Hot Beans Result In Call For Department

Burned beans, deep well cooker and stove unit was the damage at the home of Mr. and Mrs. Carl Painter Tuesday afternoon when the Truckee Volunteer Fire Department responded to an alarm.

Mrs. John Collier who saw the smoke pouring from the house, called Mrs. Painter who was not home at the time.

District Governor Here For Visit With Rotary

Judge Frank B. Gregory, district governor of Calvada District No. 164 paid his official visit to the Truckee Rotary Club Monday at a ladies night program.

Governor Gregory conducted the induction ceremonies for Lyle C. (Red) Hubbard, recently named as manager of Ransome Company in Truckee. Miss Evelyn Stinchfield, queen at the Truckee Outdoor Sportsmen's annual buck stew, as the Rotary club's representative, was a guest at the meeting. Two musical numbers were presented on the violin by Mrs. Georgiana King, accompanied by Mrs. Winifred Kamp.

Lake Level

TAHOE CITY—With only three gates open the level of Lake Tahoe Monday stood at 6225.12 feet.

A light shower last week left .18 of an inch of precipitation, but otherwise the weather has been ideal, with a low of 36 on Saturday and a high of 65 the same day.

Deputy Question On Agenda Again As Board To Meet

Another attempt by local interests to obtain a second deputy sheriff to serve the eastern end of Nevada County will be made when the board of supervisors meet Wednesday, October 26.

Hal Welch, president of the Truckee Chamber of Commerce, who has headed the drive to obtain the necessary officer, said he had been assured that the employment of a second man by Sheriff Wayne Brown would be authorized, but that the delays have occurred because of the inability to get a full board present.

Also behind the drive is Supervisor H. G. Loehr of Truckee, who has repeatedly pointed out the urgency of the second man.

Another matter expected to come before the board next Wednesday is the proposed zoning ordinance desired to prevent the construction of undesirable and unsanitary structures in this area in the forefront of the 1960 Olympic Games. Placer County has long since adopted such an ordinance and it is expected the Nevada County board will take action as soon as the proposal is presented by the planning commission.

Jas. Thomas Rites Held On Monday

Last rites for James Marvin Thomas, 54, a life-long resident of Truckee, who expired Saturday morning following an extended illness, were held Monday morning at 11 o'clock at the Truckee Colonial Mortuary. Interment followed in the Truckee cemetery.

Thomas, a native of Boca, born September 1, 1901, was a son of the late Perry and Elizabeth Thomas, pioneer residents of the region, He attended local schools and for many years had been employed in the water service of the Southern Pacific Company.

The last rites were conducted by the Rev. Wesley Osman, pastor of the Community Methodist Church and pallbearers were all fellow employes.

Thomas devoted his life to his family but was an ardent sportsman. He well earned the high esteem of his legion of friends and neighbors, who will deeply regret his untimely passing.

The deceased is survived by his wife, Mrs. Estelle Thomas, one son, Aaron, both of Truckee, two sisters, Mrs. John Rablin of Roseville and Mrs. Lennis Swansborough of Placerville; two brothers, Derwood of Santa Cruz and Paul of Pollock Pines. A second son, James, was killed in battle during the recent war in the Pacific.

Sympathy of the entire community is extended to the surviving members of the fine family.

ROOM MOTHERS OF PTA ARE CHOSEN

Room Mothers for the Truckee Elementary Parents and Teachers Association were named this week by Mrs. George Kaspian, hospitality chairman and announced by Mrs. Hilda Hintz, PTA president.

They are kindergarten, Mrs. D. J. Horman, Mrs. William Waters and Mrs. R. L. King; first grade, Mrs. C. I. Vind and Mrs. B. R. King; second grade, Mrs. G. E. Lewis and Mrs. O. J. Larrivee; third grade, Mrs. Robert Leamon; fourth grade, Mrs. L. H. Braasch and Mrs. Arterburn; fifth grade, Mrs. Glenn Miller; sixth grade, Mrs. Edward Frates.

Workman Burned

Walter Bell, 34, Fresno, employed by the Southern Pacific, was burned about the legs and forearms Tuesday night when a kerosene lamp he was attempting to light exploded, showering him with flaming oil. After treatment by Dr. L. D. Nelson at the Tahoe Forest Hospital he was released.

Leave Lake Tahoe—

Mr. and Mrs. Manuel Caesar have left the lake for San Francisco. Dave Gaynor has an address change from Tahoe City to Sun Valley for the winter.

Murder Victim's Body Is Found East of Truckee

Local Officers, Doctor Play Part In Solution Of L. A. Crime

The body of Mrs. Stella Reno, 36-year-old Hollywood woman, which was found in a depression just a few feet north of Highway 40 where the highway leaves the Tahoe National Forest 10 miles east of here, has been sent to Kentucky for funeral services.

The dead woman's step-son, Ralph Reno, 27, an ex-convict, admitted, police said, to strangling her during an argument in their Hollywood home. Reno, who was arrested in Reno, also admitted, the police said, to stabbing his father, Andrew Reno, 57. The father is recovering.

Search for the body of Mrs. Reno started after her step-son's arrest. He assisted four Reno police, including Chief T. R. Berrum, and Constable N. F. Dolley and Patrolman Martin Sturcke of Truckee in locating the body which was brought to the Truckee Colonial Mortuary Friday night for an autopsy.

The autopsy was performed by Dr. L. D. Nelson assisted by Dr. Frederick Neubarr, eminent autopsy surgeon of Los Angeles.

Dr. Neubarr was high in his praise for the findings of Dr. Nelson in establishing the time, cause and other details of death and is sending the local doctor charts and other media for guidance in any future cases.

Reno, according to police strangled his step-mother and placed her body in the trunk of his car and discarded the body near here before joining two friends, Richard Brunt and Frank Hunter of Los Angeles who were being held for questioning, but who, Reno said, had no knowledge of the alleged murder.

Kaspian Building New Mill At Lake

Work is well under way for the building of a new sawmill on Blackwood Creek at Lake Tahoe for the Truckee Lumber Company of which George Kaspian of Truckee is the owner.

According to current plans, the mill will be used to process timber throughout that area with the lumber being shipped to Truckee where the dry kiln, plaining mill and other equipment will be utilized on the site of the former mill which was recently destroyed by fire just west of town. The finished product will be shipped from here.

POWER OFF HERE FOR HOUR SUNDAY

Necessary repairs at the Truckee sub-station of the Sierra Pacific Power Company Sunday morning resulted in power being shut off in Truckee for an hour between 6 and 7 a.m. Users of electric blankets were probably the first to notice the shut down as the weather was a bit on the chilly side at that hour.

Mobile X-Ray Unit To Be Here October 28th

Mrs. Everett O'Rourke, chairman, announced on Tuesday that the mobile x-ray unit, serving Nevada County will be here on Friday, October 28, when local people may have chest x-rays free of cost.

The unit will be parked next to the sidewalk on Commercial Row between the hours of 1-3 and from 4 til 8 p.m.

Seniors from the high school, lumber workers and all adults in other occupations are requested to reserve some time during those hours to have the chest examinations which are paid for by the sale of Christmas seals.

Assisting Mrs. O'Rourke will be Mesdames Rex Reid, Dan Harmon, Walter Loynd, Harold Langille, and E. L. Loynd.

Miss Mary Fleckenstein is visiting at Folsom.

SUNBEAMS

By WALTER M. BARRETT

This newspaper issued a prediction weeks ago that as a result of the selection of Squaw Valley as the site for the 1960 Winter Olympic Games, the region would soon feel the impact of numerous chiselers expected to swarm to the community. We were not wrong. Already that persuasive brief-case merchant with one aim—to separate the legitimate businessman and home-keeper from his money—has heard the news and responded as could be expected. Unfortunately, there are those who apparently did not heed the warning and it becomes quite evident that the transient peddler is making himself a neat little profit. We would like to suggest that when these people call on you, you stop them with a brief and decisive "NO," for if you don't the training and experience they have had will cost you money. They have the best arguments in the world and after years of chiseling, can overcome the best honest resistence offered. You will always find that in the end your local people and authorized legitimate salesmen can render you the best service, provide the goods you need and save you money and embarrassment. This community is too small to spread its profits to everybody with that professional "good fellow smile" and "self-sacrificing persuasion." But he does seems like a real nice fellow.

MOTHER OF LOCAL WOMAN EXPIRES; FUNERAL IN SOUTH

Funeral services were held at Arcadia early this week for Mrs. Elizabeth Walker, 85, mother of Mrs. Fred Pedley of Truckee, who expired here Friday night following a lengthy illness. Interment was in Forest Lawn. The Truckee Colonial Mortuary had charge of local arrangements.

Mrs. Walker was a native of New York, born August 1, 1870. Prior to coming here four years ago to make her home with Mrs. Pedley, Mrs. Walker had lived in southern California.

LEGION PLANS FOR TURKEY SHOOT HERE

Plans for a turkey shoot to be held Saturday, November 12, with weather permitting and on the following Saturday if necessary, were made at the meeting of Truckee Post No. 439, American Legion, Tuesday night. Details will be announced later, Adjutant Frank Quilici said.

With the $15 rental refunded to the 20-30 Club, the recent dance sponsored by the latter organizaiton netted a total of $87 which went to aid in financing the new fire house. The Legion refunded the rent to aid the project. Music for the dance was provided by Robert Madge, James Pringle, Hugh Smith and Victor McLane, who has organized a local orchestra for such occasions.

Lloyd Everett, Legion commander, presided at the Tuesday session.

Loomis Clubwoman To Address Wyethia Meet

Mrs. J. Paul Webb of Loomis will be the guest speaker on Friday evening October 21 at the meeting of the Wyethia Club. Her subject will be "Miniature Portraits of Women of the Bible."

Mrs. Charles Heller will preside at the business session and hostesses for the evening are Mesdames George Kamp, Lloyd Van Sickle and Eugene Welch.

Expects to Travel—

Fred Calkins planned to leave here earlier this week for Gridley, where he will remain a short time before going to Oregon. Before returning here next year, Calkins expected to take a leisurely trip into Mexico.

Engle Continues Effort To Obtain Truckee Airport

Again Asks CAA To Make Local Survey For Air Field

Congressman Clair Engle will exhaust every effort to obtain an airport for this immediate area.

This was indicated this week when the congressman wrote J. S. Marriott, regional administrator of the Civil Aeronautics Administration, asking that a survey be made of the region southeast of Truckee where it has been estimated a suitable landing field for schedule flights can be obtained.

If a survey has already been made of this particular site, Engle wrote, he wanted a full report on its suitability as a field for smaller aircraft.

"I am going to make a very vigorous effort to get hold of some of the new airport money for my district," Engle wrote. "It would be appreciated if you would send me whatever information you have regarding the availability of this money and what type of airport construction or improvement will qualify, and on what basis."

With this information, the congressman indicated he will do his best—with the cooperation of interests at North Tahoe and Truckee to further interest in the local field.

The airport here, it has been pointed out, would serve an important purpose during the 1960 Winter Olympics as well as providing a permanent facility for the increasing need for transportation to the growing region at Truckee and North Tahoe.

Funeral Today For Menia Moretta

Death in a Reno hospital Tuesday ended the suffering of one of Truckee's most beloved citizens, Miss Menia C. Moretta, 51.

Miss Moretta expired following a long illness which had kept her hospitalized for several months.

Born in Truckee July 8, 1904, Miss Moretta spent her entire life in this community. Since June 4, 1923, she had been continuously employed in the local bank, which was started on that date with C. B. White as manager and Miss Moretta as his only assistant. For two years, the two operated the affairs of the bank before additional help was obtained.

When the bank was taken over by the Bank of America several years ago, Miss Moretta remained as a loyal employe and she continued to serve up until her fatal illness.

She is survived by her brother, John, of Truckee, an employe of the Southern Pacific Company. She was a niece of Mrs. Rose Kielhofer of Truckee and a cousin of Karl Kielhofer also of this city. Several relatives reside in Europe.

The body was taken to Sacramento where funeral services were held this morning. Burial was in East Lawn beside the bodies of her late mother and father.

A legion of friends here regret deeply the death of Miss Moretta and extend sympathy to surviving family members.

PROPP IS NAMED AS PLACER JUDGE

Gov. Goodwin J. Knight's office today announced that, following his return from New York, the governor intends to appoint Leland J. Propp to the new Placer County Superior Court judgeship created by the recent session of the California legislature.

In accordance with his practice in judicial appointments, the governor requested a report from the board of governors of the state bar on the professional qualifications of Propp for this appintment, and it was following receipt of this report that the announcement was made.

In Vancouver—

Cecil Edmunds flew to Vancouver, B.C., Saturday upon receipt of word that his mother was critically ill.

California Will Not Give Up Olympic, Cushing Declares

California will not give up the 1960 Winter Olympics.

That is the voiced opinion of Alex Cushing of Squaw Valley where the games are scheduled, in answer to a statement by Avery Brundage, president of the International Olympics Committee, who last week declared that he would not be "lenient or lackadaisical" when the final decision comes before the committee at Cortina, Italy, next January, indicating that the California sponsors must show definite progress by that time to hold the games.

"We'll have all the 'firm assurance' Avery Brundage or anyone else will want by the first of the year.

"There's a lot of talk about there being no city behind the games."

"We'll that's so; Squaw Valley is not a city. But I'll trade the State of California for any city you can name."

Cushing, manager of Squaw Valley, obviously was upset by a statement made here Tuesday by Brundage, international Olympic committee president, that the committee wants firm assurance of Squaw Valley's readiness at its January meeting in Cortina, Italy.

"I think Bundage's statement was very unfair," Cushing fumed. "He's never come up here to look at what we're doing and he's never asked, either.

"We have a French bobsled expect, six architects and 12 engineers up here working their heads off right now and it upsets them to get a blast like that from Brundage.

"As a matter of fact, we sent a progress report to the IOC today without being asked and we'll come up with a complete plan shortly on just exactly how everything is going to be done.

"And our facilities, not counting highways into the area, will be finished by December 1, 1957, which will give us plenty of time to test them out.

"We'll put on as fine a winter games as ever has been staged. There's absolutely no question about California giving up the games."

Partial financing of the games, to the extent of $1,000,000, has been promised by the state in a legislative grant. The remainder of the still unestimated cost will be borne by other sources which Cushing said he will reveal when necessary.

Frey Sisters Honored At Birthday Surprise

Mrs. Muriel Frey entertained in her home on Sunday with a surprise party honoring the October 12 birthdate of her daughter, Varien, and the birthdate of her daughter, Dorothea, which will occur on the 24th of this month.

The dual event was an enjoyable one shared by friends of the sisters. Those invited included Mrs. Lynn Kishbaugh, Lily Cushing of Squaw Valley; Judy Vaughan, Sharyn Wright both of Tahoe City; Linda English, Kings Beach; Cynthia Reynolds, Stephanie Firpo, Ellen and Carol Patnoud, Janice Notley, Shirley Taylor, Roselee Frates, Nancy Kaspian, Janet Allen and Joyce Hallett.

Rev. Osman Speaker Next Sunday At Tahoe

Rev. Wesley Osman of Truckee will be the guest speaker in the Tahoe City Community Hall, conducting Sunday service of the Tahoe City Community Church on October 23, at 9:15 o'clock.

Mrs. Gerald Waters announced that Sunday school will convene at 10 o'clock, immediately following the religious message by Rev. Osman.

New Mill Will Be Erected Here On Railroad Land

Planning Board Approves Plans For Processing Plant Here

The Nevada County Planning Commission Tuesday night approved plans submitted by the Burney Lumber Sales Company of Marysville for installation of a sawmill and associate facilities to be located on Southern Pacific property being vacated by the old round house, balloon tracks and other installations just east of Truckee.

Hal Welch, Truckee Chamber of Commerce president, who attended the session of the commission, said the proposed new zoning ordinance had been carefully scanned and approved and is ready for the action of the board of supervisors at their meeting next Wednesday.

Workmen have arrived here to start laying out the Burney plant which is expected to get into operation early next year. It will be a steam operated plant, according to the plans submitted and will include beside the mill, a dryer, plaining mill and other facilities for manufacturing lumber for shipment.

Officials of the company were her earlier this year inspecting sites for the mill and made arrangements with the Southern Pacific for the chosen location and will utilize some of the railroad's abandoned facilities for the mill operation.

Mrs. McKay Dies, Rites On Sunday

Another of Truckee's pioneer residents, Mrs. Elizabeth Cupples McKay, 77, passed away here Wednesday following a stroke suffered the day before.

Apparently in excellent health, Mrs. McKay completed a task in the garden of her home and went down town to shop and was just leaving the Truckee Mercantile store when she was stricken.

Mrs. McKay was a native of Cloney Trace, County Antrim, Ireland, born July 7, 1887. She came to the United States in 1900 and went with her family to Floriston shortly there after. She moved to Truckee after her marriage to the late Robert G. McKay and had made her home here since that time.

The deceased was a 50-year member of Truckee Chapter of the Order of Eastern Star and a past matron of that organization. She also had been an active member of the Methodist Church here since 1924 and devoted much of her time to the church and its work.

Surviving are two sons, Earl and Vernon and one sister, Miss Mary Cupples all of Truckee; one brother, Joseph Cupples of Reno and two brothers living in Ireland.

the Masonic Hall Sunday at 11 a. m. under the direction of the Order of Eastern Star, with the Truckee Colonial Mortuary handling the arrangements. Burial will be in the Truckee cemetery.

Mrs. McKay was widely and favorably known and her death will be deeply regretted by her many friends and neighbors, who extend sympathy to her family.

SKIING FILM WILL BE SHOWN IN DISTRICT

Gordon Butterfield, vice-president of the Squaw-Lake Tahoe Ski Club this week said that the film "Invitation to Skiing," filmed by Warren Miller, famous international skiing photographer and lecturer, will be shown in this area during the Christmas holidays.

The exact time and place for the interesting viewing has not yet been decided upon, future announcements will be made to notify the sport enthusiasts of the date.

Butterfield said that the proceeds from the show will be given by the local ski club as a fund for junior racers in the area who take part in skiing tournaments this season.

Speed Limit Established In Donner Lake District

The state division of highways has established a speed limit of 40 miles an hour for a little over a half mile on US Highway 40 in the vicinity of Donner Lake, Nevada County. The previous limit was 55 miles an hour.

Hocker in Hospital—

Harvey Hocker underwent a minor operation last week at Tahoe Forest Hospital.

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO (CNS) — For a good many years now, there has been talk of "streamlining" legislative operation in California, and a few things have been accomplished which have served to bring the two houses more up-to-date than they were in following the traditional activities of the past.

However, a lot of observers, and many legislators as well concede that legislative operation dates back to the horse and buggy days, and needs some revision to make it fit the needs of a growing and progressive state.

The problem is being attacked on two fronts, first, through a 14-man committee with each house having seven members and a $20,000 appropriation to search out and recommend reforms, and second, through a conference on the legislative progress to be held in Berkeley, October 27-29, sponsored by the School of Law, the Department of Political Science, and the Bureau of Public Administration of the University of California.

The legislative committee is headed by Senator Ben F. Hulse, president pro-tem of the state senate. It is given wide latitude under the joint resolution which created it, and can go into any and all phases of legislative operation.

The University of California conference will call together some 40 people from different walks of life, but including representatives from the legislature, state officials, members of the press, legislative representatives and university faculty members, as well as visitors who are experts on legislative process.

The findings of this conference will be made available to the legislature, probably for action at the next general session in 1957.

Over the past 32 years, during which this writer has had some contact with almost every regular and budget session of the legislature held, many avenues for improvement of operation have been noted. Some cannot be effected without extensive changes in the constitution of the state, so it is up to the people- of- California, eventually, to determine whether they want changes that will save time and money.

Admittedly, there is a great deal of mumbo-jumbo in handling legislation, such as the reading of bills, a process which may have been good when it started, but which has lost its value in the maze of measures handled.

Duplication is another evil which runs up the legislative cost and time, but in correcting this, there must be a protection to the independence of the individual legislator.

The restriction on time, 120 days for a regular session, precludes proper and thorough consideration of matters of great import which are before the legislature for consideration, and often, needed legislation goes by the boards until the ensuing session, to the detriment of progress in the state. It was felt originally that the restriction on days of session would step up the legislative process, but apparently, the opposite is true.

Laws, of course, must be changed to keep with the demands of a growing state and to avoid becoming archaic. Consequently, a process whereby they may be changed readily, is necessary.

California's constitution is sufficiently out-dated to warrant an entire rewrite, retaining therein the basic freedoms granted the citizens, and relegating law to the codes, rather than having it included in the constitution itself.

ARE YOU A SUNSCRIBER?

SEVERAL JOBS IN STATE ARE OPEN FOR EXAMINATION

SACRAMENTO (CNS) — The state today hung out the help wanted sign for several types of civil service jobs.

Highest paying of the positions listed by the state personnel board wa sthat of milk economist to help the state department of agriculture determine minimum retail milk prices. The position pays $530-644 a month.

The board listed openings for several medical technical assistants to work in state institutions. Veterans of the armed forces medical departments were being sought to fill the positions, which pay $325-$395 a month.

Other openings for which civil service examinations will soon be given included.

Junior and assistant landscape architects, $395 and $436 to start, respectively; surgical nurses, $325; recreation therapist, $341; physical therapist for physically handicapped children, $358; junior oil and gas engineer, $395; public assistance program specialist I and II, $376 and $458, respectively; child welfare program specialist I, $376.

Good Hunting In Sight For California Nimrods

Given a break in the weather, California waterfowl hunters can look forward to good gunning this season beginning October 15, the department of fish and game reported.

Already the great concentrations at Tule Lake-Lower Klamath Lake areas have reached more than 2,000,000 birds, and they have spread rapidly down the interior valleys.

Surveys taken earlier this year in the Canadian breeding grounds indicated a highly successful hatch with resulting high populations migrating into the Pacific Flyway.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Opening Night

Quite a nice gathering at Joby Lewis' Monte Carlo last Saturday. The opening certainly seemed popular, as one could meet all their old friends they had not seen all summer. The food was delicious, and the gaming tables did a fine business, everybody as busy as could be, even Joby and Helen were behind the counter salad making and what not. It is a kind of a challenge to the south end, where most of the casinos are wide open and doing big business.

Happy Birthday

A happy birthday was spent by our old and valued friend, Andy Sorensen, last Sunday having some good friends as visitors from Grass Valley, Mr. and Mrs. Harry Sorensen, No relation, but both from Denmark. The Harry Sorensens have just completed a round the U.S.A. and Canada trip, that took them to hundreds of interesting places. The trip was by trailer so they were able to make it just nice and leisurely, enjoying every mile of the wonderful trip. Many more happy birthdays, Andy.

Home

Dorothy Sipes had quite a visit with her sister at Salinas, just doing nothing but rest. Saw Cloyd, our tonsorial artist, standing outside the shop biting his nails, itching to get going down to pick Dorothy up. "Tain't like home without her," says Cloyd, and I know what he means, too.

More Roamers

Yes, the Brockway Hotel and the golf course are closed. Pete Bennett has left for Arizona where business, I understand, is quite brisk where farmers, etc., from foreign lands have converged on the hotel there. Also our friends, the H. P. O'Callaghans, have left for Arcadia in southern California, for a well earned rest after a rushing season. Make the best of it H. P. you will be back before you know it. Thanks for your compliments of the Sierra Sun. Glad you like it, and a pleasant winter to you both.

Brand New

Was in the Stop-n-Shop at Kings Beach yesterday and found a beautiful new store that had grown out of the shambles of the fire of some weeks ago, I also saw a showing of TV sets that Willis is handling, its markable how a person can lay in bed, and simply flash a light on a certain spot and put the picture on or off.

Here and Gone

Mrs. DeBell of Gridley, who is in the furniture business, has purchased the home of Mrs. Ray Davis on the golf course, had as her guests Mr. and Mrs. Thompson also of Gridley. They have already closed up the home for the season but hope to be back early in the spring.

Beautiful

Last Saturday, both day and night, was wonderful, the weather just perfect. Many from this side of lake attended the annual Candy dance at Genoa, the oldest town in Nevada, the south end had a good share of the business, and the north side was gay as any summer night. The change in winter seasons is fast becoming what we had hoped for, and hope that it will continueto grow that way.

Sold

Now it can be told, Mr. and Mrs. P. M. (Mac) Burroughs have sold their brand new home at Tahoe Vista, and I am told also that the buyers are none other than Ed and Lillian Colvin of Carnelian Bay and Brockway, and I understand that Mac and Thelma have a very beautiful lot way up on the Tahoe Estates upon which they may build a beautiful home. Typical of the Burroughs, and it might have the most novel name. This is just a rumor, "High on the Hilltop—Sweet and Low" doesn't that sound like Thelma? Any way we are going to keep them in our community that's something to be thankful for.

Birthday Greetings

I just can't let the opportunity of say happy birthday, although a little late, to our very good friend, Carl Bechdolt, Sr. I had to get the news through Andy Sorensen, who says the gathering had a grand old time. They couldn't do anything else with such an occasion for a grand man like Carl, so we say, although belated, may some of the most wonderful years still be ahead of you Carl and may they be many.

Gone Again

There they go again. Yes, you guessed it, is the John O'Connors of Kings Beach who have left for their home in Oakland, but only for a short time, as Ruby will run back up again before closing for the winter. Oh, yes, both will be up so says my back seat driver, my wife, who, by the way, is doing wonderfully.

Olympics

The audacity of any one man even questioning the ability of California and Squaw Valley to put over the 1960 Olympic games. Is beyond my comprehension. I feel our motto should be, and is, "What we have we hold."

Partly Closed

I omitted last week to mention an item that was given me by Theresa Sutton of the Buckhorn Kings Beach. Theresa informs me the restaurant part of the hostelry is now closed, and wishes to thank all of those many patrons that were so wonderful through the season. Now she leaves the bar for Tom to handle and believe me, he can do it, too.

Build Cabin

A swell young couple Don and Betty Vance, oh yes, and son, Mark, have built a wonderful log cabin on the golf course right over from us. The family are from Berkeley, and intend to be up here through the winter as much as possible. Being up more or less for the first time they are thrilled with the area and its possibilities.

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

Close Lodges

Resorts and lodges in this locality are closing for a winter intermission including Tahoe Inn which closed Sunday 'til Thanksgiving, only bar service remaining open this month, Skookum Chuck will close the first of November for a month. At the same time Donaldson's will close, reopening for the holidays.

Buys Home

Miss Geraldine Bean, teacher at Tahoe Lake School last week bought the William Wathen home and the adjoining lot and is now busy enlarging the house, adding improvement both inside and out.

400 at Opening

More than 400 were counted at the reopening of Joby Lewis' Monte Carlo at Crystal Bay Saturday night from many points around the area. Lewis plans to remain open through the year.

Up for Visit

Major and Mrs. Jack Schaefer with their sons, Marty and Jack, spent the weekend in their Timberland cottage, coming from Rafael Village near Hamilton Air Force Base where the major is stationed.

At Home

A1c Florence Vernon came up with the family to spent the weekend at her home.

Leaves Tahoe

During the past week Rose Boyiarides left for San Francisco where she is spending a short vacation at the home of Mr. and Mrs. Gus Daldas, the latter her niece. Daldas is recuperating from a recent heart attack.

Allspice berries are picked while still green and sun-dried for about a week until they turn a reddish-brown.

FIVE BROTHERS GET FIVE DEER, FIVE ELK IN HUNT

TAHOE CITY—The Big Creek country of Idaho proved a very lucrative hunting area for the five Ruhkala brothers.

The five, including Marshall Rukhala of Tahoe City and his four brothers, Ben Rubin, Michael and Roy of Rocklin, returned this week with five elk and five deer and reported a wonderful outing.

The five brothers were gone ten days.

the newest design concept in card table sets...

Samsonite Black 'n' Brass

Black 'n' Brass Card Table in Metallic Grey, Metallic Flame, Metallic Chartreuse or Antique White. $13.95

Matching "Futura" Chair $8.95

At last, real glamour in a card table set! Dulled, black-modern metal frame...brass tipped legs...and colors that add the "decorator's touch" to any decor. And because it's Samsonite, you know this set will stay beautiful and sturdy for years of day in, day out use. Spills can't stain the upholstered top...it simply wipes clean with a damp cloth. And the tubular steel legs and frame make it the world's strongest card table. Cushion-comfort chairs have upholstered back and seat. They simply glide open, fold compactly. Other Samsonite card tables from $7.95 and matching chairs from $6.95.

Tahoe-Truckee School District News

TAHOE LAKE SCHOOL

Kindergarten-First (Miss Bean): Tahoe Lake kindergarteners are practicing good listening manners this week.

First graders finished their work folder projects by pasting cutout wallpaper designs to construction paper for the covers. The class voted Johnny Carnell's folder as being the prettiest and neatest one. The second best was Jon Kehlet's.

First and Second Grades (Mrs. Beavers) We elected three judges to judge our part work today. We all tried to make the biggest, funniest "pumpkin faces" we could. The judges were: Mary Lou Sartor, Kim Marvin, Lance Poulsen. The best "pumpkin faces" were made by Stephanie Snyder, Dick Pomin and Tommy Ruhkala.

Third and Fourth Grades: The third and fourth grades have developed the discussion techniques by meeting together in a full class "buzz session" to solve the problem "Why Don't Children Learn?" Group recorders were Karla Kiser. Katie Schweiger, Janis Giannini, Janet Brimhall, and Joe Hoxsie. After class evaluation the groups decided the major causes of blocked learning are fear or failure and lack of individual help in the classroom.

Ffth and Sixth Grades: On the first of the series of time tests in multiplication the following pupils received 100 per cent: Sandy Fellows, Janet Verner, Nell Ellis, Jerie Grinstead, Parky Bechdolt, Vic Sartor, and Danny Conners.

KINGS BEACH SCHOOL

Kindergarten-First: The first graders started reading about Tom, Betty and Susan. Our new books are entitled "My Little Red Story Book."

We learned a spooky Halloween song called "Jac-O-Lantern." Jay Bisio brought the song from home so the entire class might enjoy it.

Mel Throop, our custodian, brought us two new goldfish, but they died the next day. However, we appreciate Mel's thoughtfulness.

Second and Third: Our trip to the Kings Beach Postoffice, Thursday, was organized to stimulate the children's interest in our community. We want to take this opportunity to thank Mrs. Carol Howard, postmaster, and Mrs. Wilma Lucas, her assistant for showing us through the postoffice. The following mothers assisted Mrs. Wing on our field trip: Mrs. Paul Bailey, Mrs. Harvey Klitzske, Mrs. Earl Althof, and Mrs. Ray Bergman.

We received our class pictures Monday.

Joan Palmer transferred to the Tahoe City School. Joan's parents purchased a home at the foot of Dollar Hill.

Beverly Bergman brought a bag of candy to share with her classmates after lunch.

TRUCKEE ELEMENTARY

Kindergarten: Henry Frates made a fine free-hand crayon drawing of a jack-o-lantern this week. John McGlade showed his original Red Cross ship picture to the class and explained each part of it. Beverly King and Dickie Daniels also told stories of their pictures to the class. Kathie Hart drew an Indian tepee with a large yellow moon around it.

We have been practicing marching like little wooden soldiers, galloping like horses, rocking, skipping and running like fairies with records for musical background.

First Grade: In first grade we have many kinds of music. The first grade children bring records that we listen to during our rest period. Among those bringing records are John and Charles Collier and Sharon Peterson. We have music we use for rhythm band. We learn to sing many songs about holidays, toys and pets.

Second Grade: We are learning some new Halloween songs in music as well as several folk dances.

Diana Pankoke entertained us with a "School Days" dance.

Third Grade: Every child in the third grade took part in the "Keep California Green" poster contest. The room voted Sheila Larrivee's and Steven Van Sickle's posters the best. They were sent to the committee from the Truckee Elementary School to be judged. We congratulate Julia Knoof and Janice Roth on their winning from primary and celementary grades.

Fourth Grade: The class voted Ronald Brown's poster on "Keep California Green" as best from the fourth grade. Sara Van Sickle and Wayne Arterburn had good posters also.

Fifth Grade: The poster contest sponsored by the "Keep California Green" committee has spurred us on to trying our hand at poster-making. Our teacher explained several different ways of using water colors, poster paints and cut-out paper for posters.

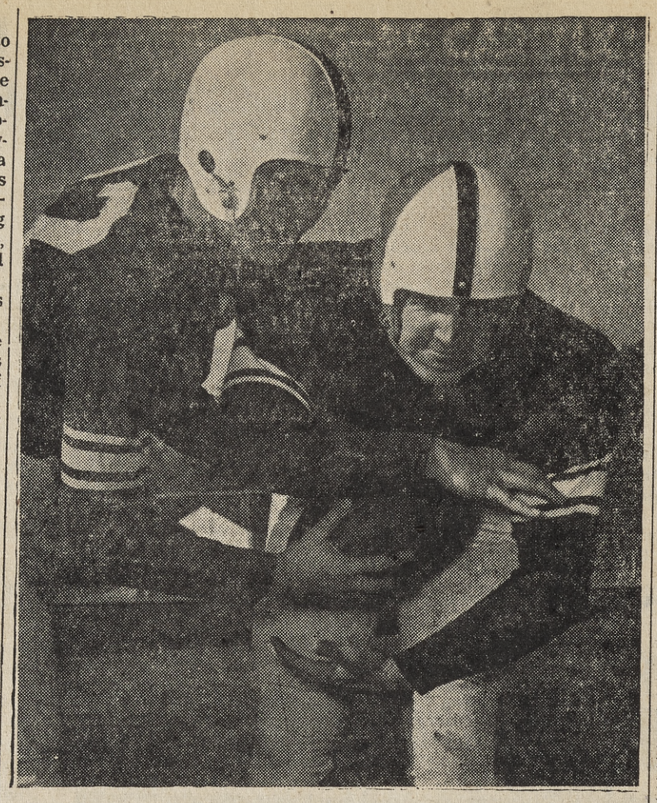
In our music periods we have been learning some fundamentals to reading music.

Sixth Grade: Vickie Firpo played several selections on the piano for music, and Pam Freeman played her harmonica another time. We are learning to distinguish a beat so that we can improve our dancing rhythm.

George Redford, Donna Young, April Lander, Terry Beck and the rest of the class made some nice pictures to illustrate the "Keep California Green" theme for a statewide contest.

Other art activities are intergrated in the social studies program. This week J. C. Roberson and Terry Walker made an attractive plaster map of Ontario and Quebec.

It takes trained men and expensive equipment to fight a forest fire which common sense can prevent. When you're in the woods, be careful with cigarettes, matches and campfires.



THESE TWO WOLVERINES hail from Lake Tahoe, where they were graduated from Tahoe-Truckee High School. J. Stuart, 18, left is a quarterback on the Sierra squad, while his brother, Ned, 22, is a fullback and tackle. The latter is a veteran of the airborne troops and left the service in April of this year. They are the sons of Mr. and Mrs. J. R. Stuart of Tahoe City.

RICHARD HINKLE IN GRANTED PROMOTION

FORT JACKSON—First Lieutenant Richard G. Hinkle of Fort Jackson, S.C., and formerly of Tahoe City, received his silver bars in promotion ceremonies in the office of Lt. Col. George C. Walker, assistant chief of staff, G-3 (Operations).

An instructor in trainfire, a newly-developed system of army rifle marksmanship being trial tested at Fort Jackson, Lieut. Hinkle was assigned here in October, 1954.

DAMAGES DENIED IN AUTO DEATH ACTION

NEVADA CITY—A superior court jury denied damages in a $100,000 action against the Rumbley Company and William Weaver, a truck driver for the firm.

The action was brought by Linda Benedetti, administratrix of the estate of A. A. Oppio and Caterina Oppio, who died of injuries near Truckee, in 1951, after their car collided with a truck driven by Weaver.

SIERRA GROUP HAS PICNIC AT TAHOE

CRYSTAL BAY—On October 9, twenty friends and members of the Sierra Club met at Lake Tahoe for a short hike to the lake for a picnic lunch. The youngest friend present was Niki Houghton, one year. Phyllis Hay drove from Lovelock and was greeted by her brother, R. C. Rosenberg, a long-time member, who came from his home at Al Tahoe. Dick Hanna, a grandson of John Muir is a member of the group.

Those present at this meeting of the "Sierra Group" of the Sierra Club were: Andrew D. Crofut, Jr., Mr. and Mrs. Samuel G. Houghton and Kitty, Linda and Niki, Mrs. Jack Reifscheider, all of Reno; Mr. and Mrs. Homer Angelo and Christiane, Mrs. Victor Goodwin, Mrs. Richard A. Petty and Beverly, Richard R. Hanna and Owen, Miss Grace Bordewich and Miss Nancy Borderwich, from Carson City; R. C. Rosenberg, Al Tahoe; Mrs. Phyllis Hay, Lovelock and Mrs. John S. Crenshaw, Crystal Bay.

INVESTIGATION OF COMPLAINT ORDERED

AUBBURN—The Placer County Health Department is under orders from the county supervisors to investigate the complaint of eight Tahoe Vista resort owners that the pumping and disposal plant of the North Tahoe Public Utility District is a menace to health and affects their business.

The resort owners complained a sewer stench originates at the plant on the eastern side of the lake, above their properties and resorts.

The supervisors referred the complaints to the health department and requested an investigation and a report. The owners had demanded immediate steps be taken to remove the plant or correct the situation.

The complaint was signed by Gerald E. W. Potts, George W. Phillips, William H. Bates, Douglas B. Free, T. L. James, L. G. Woods, Charles Mang and Virginia Ludlow.

LEAVE TAHOE

Tahoe City summer dwellers who are going to spend part of the winter in other towns are Mr. and Mrs. John Huber who become Marysville dwellers this week, the Max Bretzfelders enjoying a month's trip to Hollywood, Mrs. Zella Mortimer also left for San Bernardino. Mrs. Stella Watson has an address change to Shingle Springs, as usual at this time of the year. The L. J. Celios have left for their home at Berkeley, after a pleasant season at Tahoma.

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Governing Board of the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, at the office of the Superintendent of Schools, Truckee, California, on or before and no later than November 7, 1955, at 5 P.M., for the contract or contracts to supply gasoline for the school buses and other vehicles and equipment of the Tahoe-Truckee Unified School District in accordance with specifications on file in the office of the Superintendent of Schools.

The Governing Board reserves the right to reject any and all bids, in part or in total, to waive any irregularities, and to be the sole judge of the suitability of the product offered.

Bidders are required to submit complete specifications with prices for any and all products offered.

By order of the Governing Board of the Tahoe-Truckee Unified School District.

DENIS A. SACH, Clerk

Problems Of Sportsmen Are Stressed At Meet Of Organized Groups

It costs the State of California $1.06 a pound to raise trout and plant them in streams for fishermen.

The figure was given yesterday by Alex Calhoun of Davis, speaking for the State Fish and Game Department at the convention of the Associated Sportsmen of California.

Calhoun said that amounts to about 16 cents a fish and that he considers the cost quite inexpensive, as trout cost $1.29 a pound in Los Angeles markets.

Calhound said recent tagging of planted trout on the south forks of both the Yuba and American Rivers has proven that 50 per cent of them are caught.

More shooting of does and antlerless bucks in California was advocated Friday by two speakers.

Fred Cronemiller, U. S. wildlife management chief of San Francisco, said unless the deer herds are properly harvested, evergrazing will result on range lands.

Kendrick B. Morrish, San Francisco Bank vice president and outdoor writer, said under present law, hunters can harvest only 10 per cent of the deer herds. At least 30 per cent should be taken to keep the deer population at its optimum size for the available food supply, he said.

The representatives of 126 northern California clubs in the association were told by Robert L. Jones, manager of the State Fish and Game Department's Region 3, there need not be conflicts of interest between logging operations and sports fishing in California's North Coast region.

Improved logging methods, he said, have made possible good fish conservation while still allowing economical timber operations.

He referred to the compatibility of the tow activities in the Humboldt and Mendocino County streams which are popular silver salmon and steelhead spakning areas.

Ralph Scott, deputy attorney general, said there are a number of court cases which uphold the thesis that recreation and fishing are legally recognized beneficial uses of streams.

However, he spoke out against the priniciple embodied in an unsuccessful bill before the 1955 legislature to list priorities for beneficial uses of water.

It would be better if the status of fishing were decided on its merits in each case, he said.

William H. Gravelle, National Wildlife Federation, asked association support in opposing plans by the navy to set aside 3,000,000 acres in northwest Nevada for an air gunnery range.

He called it a "land grab."

Gravelle said more than 40 per cent of the antelope taken in Nevada came from the area, 25 per cent of the chukar partridge and 8 per cent of the deer kill. Nevada, he said, planned to permit expanded non-resident deer hunting in the area.

Morrish said he and fellow sportsmen had some success with a plan for opening up private deer hunting lands by arrangements whereby hunters paid the owners a fee.

Last season, he said, more than 100,000 acres of closed lands were offered by farmers.

He suggested the arrangement should be broadened in the future.

Directors of the ASC announced that Ed Busalak of Oakland has been re-elected president for a second terms, with Lowell Bunn, Vallejo, first vice-president; George Barnes, Sacramento, second vice-president, and Henry Loretz, San Francisco, secretary of the board of directors.

In addition to the officers, the association directors are:

Larry Brocchini, Sacramento, Sam Cook, Concord; George Difani of Carmichael; John Fanucchi, Stockton; Harvey Hatfield, Sacramento; George Hendricks, Chico; Jim McCormck, Berkeley; John Reine, San Francisco; Al Rotholtz, San Jose; Herschel Vought, Chico, and Frank Crosley, sergeant-at-arms.

ENGINEER TALKS OF NEW HIGHWAY OVER MOUNT ROSE

TAHOE CITY — Lance Bartell, engineer with the Bureau of Public Roads for the states of California, Nevada, Arizona and the Territory of Hawaai, was guest speaker at the Rotary Club dinner meeting at Tahoe Inn October 11. His subject was the planning of a new highway over Mt. Rose beginning with the present improved highway from Reno to near the summit. From that point, Bartell said, the new highway as surveyed, will leave the present one to intersect Nevada Highway 28 about three miles east of Crystal Bay. The present intersection is several miles farther east.

Bartell said the Reno Chamber of Commerce is bringing pressure on the bureau to have the new highway pass the Slide Mountain Ski Bowl which he considered as a hazardous location for winter travel. Asked if he thought pressure by the eno Chamber of Commerce would change the planned location, Bartell said no, as far as he is concerned, but he would make no prediction. He said the new two-lane highway with a maximum grade of 6 per cent is expected to be completed by 1959 to provide winter travel to the 1960 Olympic games.

Another Bureau of Public Roads project is the Luther Pass highway improvement which will follow the Mt. Rose project. He said the bureau has caught up with projects so that when one is in the blueprint completion follows.

Lance Bartell, brother of Vernon Bartell, president of the club, came here unannounced to visit his brother to find he had just left on vacation. Vice-president Bob Wray, who presided, announced the next four meetings will be held at Bacchi's Inn while Tahoe Inn is closed. Bill Bechdolt, Tahoe Inn manager, advised the Rotary Club annual Halloween party may be held at the inn if the Rotarians can arrange for serving the dinner. Members thought that it can be arranged.

Trinity County derived its name from Trinidad Bay.

San Francisco's underground garage in Union Square is equivalent to a four-story building and accommodates 1700 automobiles.

Santa Cruz County was originally named Branciforte County.

CAR NEED CARE?

Like many of your neighbors you may have discovered that heavy summer driving caused extra wear and tear to your car's engine, chassis, brakes, tires or paint. No matter what it needs you can make it good as new—and safe for winter driving—with low-cost *Timeplan* financing. You'll save time and trouble if you have the job done now and pay out of income in small monthly instalments. It's easily arranged through your *Timeplan* dealer or at our bank.

SAFETY FIRST

Know where you've put your insurance policies, Savings Bonds, automobile "pink slip," birth certificate? Important documents like these, or any valuables you'd have a difficult time replacing, can be easily and inexpensively protected in a Bank of America Safe Deposit Box. You get the peace of mind of year 'round safety—for only about 1¢ a day. Ask us about it.

? BofA *Quiz Corner* ?

DID YOU KNOW THAT more than 3,000,000 Californians have savings accounts at Bank of America—many from right here in our county. Safety, convenience and immediate availability are three good reasons why—plus the 2% interest their savings earn. Why not join them and open your account with us now.

Former Resident Gives Story of Early Days In Letter To Editor

Fred Cooke of Santa Rosa who will be 80 years of age on November 29 and who is a native of Truckee has written a letter with his address on 520 Humboldt street, hoping to hear from some one in the area who knew him as a boy.

Excerpts from his letter tell of his interesting activities through the years since leaving his native town:

When I was kid in Truckee I delivered the Republican for a number of years. Besides often working in the print shop and learning to be a printer, setting type and feeding the presses.

In San Francisco I also operated a print shop. At that time I operated a detective agency specializing in locating missing people, estates and heirs. The depression put me out of business.

Then I studied and became a graduate masseur and for the last 25 years have operated health studios and steam baths. Have recently sold the Santa Rosa steam baths.

The object of writing this letter is to acquaint any of the older residents of Truckee who have been my companions going to school in Truckee, or knew me that I would be glad to hear from them and would answer any letters from anyone who knew me.

I was born in Truckee in November 29, 1875, in a house directly across the street from the public school. At that time I wore a dress or blouse a kind of a mother hubbard affair until us boys were seven or eight years old—that made us look like girls.

Father was a blacksmith, undertaker and justice of the peace. When I was in the Philippine Islands during the war with Spain your paper used to publish my letters home.

I ran away from home was 16 and enlisted in the U. S. Army, but I told them I was 22 and got away with it, and served out my enlistment being honorably discharged. I told the officers that my folks were dead. What a lie.

Have always been a "nut" for keeping a diary and have 500 pages of typewritten manuscript which embraces many interesting incidents of my life in Truckee. Have had offers to have it printed in book form, but the offers were not satisfactory—so there it rests.

Explanation Of Knight's Stand On Delegation Aired With Editorial

Governor Knight has in our opinion taken the right position with respect to the role of California's important delegation in the Republican National Convention here next August.

If President Eisenhower should choose to run again, Governor Knight will head a delegation pledged to the President. If the President should decide against a second term, Governor Knight will head a delegation which will go on the presidential preferential primary ballot next June pledged to himself as a "favorite son."

The Governor made it clear in his interview Wednesday that his candidacy for President would be only nominal and that the delegation headed by him would decide at the Cow Palace on the presidential nominee who would be best for the party.

The Governor is the head man of the Republican party in California and rightly concerned with the rumor that supporters of Richard M. Nixon are already seeking to tie up the Republican delegation with a commitment to the Vice President. If this report is correct, their action is both unwise and undoubtedly embarrassing to the Vice President. It would be premature at this moment to commit California's 70 convention votes to any one candidate. Certainly this newspaper is not prepared to make such a commitment, and we doubt that many other Republican supporters are ready to do so.

In this circumstance, the device of pledging a delegation to a "favorite son" is the sound device because it will offer flexibility and the opportunity to throw strength to the best man as he may emerge from the play of events not now predictable.

—San Francisco Chronicle

FINED

Harold B. Butler, of Crystal Bay, was fined $75 by Judge Charles Crowe in the Colfax Judicial District Court on a charge of being drunk in and around an automobile. He was arrested September 26th by Highway Patrolman Earl Crane.

Litterbug Law Beginning To Show Good Results

California's new "Litterbug Law," which the California State Brewers Institute advocated for many years, is already showing its effectiveness.

According to newspaper items, cities all over the state have clamped down on those caught throwing refuse on or near highways.

While the law provides for a maximum penalty of $50 for a first offense and a $100 fine or 10 days in jail for a second offense, some magistrates are waging campaigns that will have a lasting effect on "litterbugs."

In one Northern California city, two youths brought into court were given their choice of paying the $50 fine or cleaning up a two-mile stretch of highway. Without funds to pay the fine, they were forced to accept the latter.

Before the new law was passed, only highway officers could issue citations and no penalties were provided for.

Passage of the bill and its signing culminated a long effort in which the California State Brewers Institute cooperated with the State-Wide Cleanup Committee of the State Chamber of Commerce and other groups, particularly women's organizations.

Tamarack Clubers Are Busy on Local Lodge

Members of the Tamarack Club have been working on their clubhouse near Donner Lake during the summer and have an active membership of 60. Guy Kelley of Sacramento is the incoming president and ther officers are: vice president, Glenn Melson; secretary,, Sandy Machado; corresponding secretary, Caroline McKenzie; treasurer, Mimi Kelley; bookkeeper, Eleanor Roemer; historian, Marilyn Burgess.

Directors are Doris Rose, Delores Snyder, Marie Mcdonald, Bill Kennedy, Dale Anderson, Wes Snyder, Lou Frick and Crom Lewis, all of Sacramento.

During the Mission period of California's agriculture, hemp was a subsidized crop; in 1810 approximately 220,000 pounds was produced.

The California Almond Growers Exchange now has about 4500 members who produce two-thirds of the state's commercial almond crop.

From where I sit ... by Joe Marsh

Tie This One For Consideration—

Closed the office early last Saturday to go after pheasants with Pops Foster. I used fewer shells than the old gentleman and took home more birds—but *not* because I did better shooting.

I'd borrowed a dog for the occasion. Pops took along Blue, his ancient pointer. Several times I noticed Pops walk up to a clump of bushes Blue had pointed at and fire into the air—though he hadn't flushed a single bird.

Naturally, I wanted to know why. "Well," he said sheepishly, "I've been hunting with that dog for 11 seasons. His nose isn't much help any more—but I'd rather waste a shell than let him know."

From where I sit, Pops always shows consideration for *people*, too. For instance, this is a small thing, but he puts a bottle of beer on ice for me when I visit him—though he never takes anything but coffee himself. Even if he doesn't agree with me on a matter of personal choice (which is his right) he'd rather not make a "point" of letting me know.

State Chamber Will Ask Aid For 1960 Winter Olympics

At the meeting in Sacramento last week, the travel and recreation committee headed by C. Don Huff, manager of Homewood Resort at Homewood, passed a resolution designed to give aid to the forthcoming Winter Olympic Games.

At the same time a recommendation was made asking the state chamber to petition the postmaster general to issue one or more commemorative 1960 Winter Olympic Games stamps, similar to those issued for the 1932 summer Olympics at Los Angeles and the winter Olympics at Lake Placid.

The report from the committee follows:

We have two recommendations both of which pertain to the holding of the Winter Olympic Games in Squaw Valley in 1960.

During the past few days the press has carried a warning from Avery Brundage, president of the International Olympic Games Committee, that California has considerable of a job to do; that while one million dollars has been appropriated by the legislature, it will take closer to five million.

Until such time as the California Winter Olympic Games Commission has made its report on plans and estimates, such statements may place the true situation in a false light. California can still lose these games and statements of this kind, without complete investigation, could prove the opening wedge for a vote for the reconsideration of the award to the United States, when the Internatinal Olympic Games Committee meets in Europe during January and February.

These games are of statewide concern and the International Committee must be further assured that the people of California are solidly behind them. We therefore recommend:

Recommendation: That the Sacramento Valley Council request the Travel and Recreation Department of the State Chamber, to determine the problems of coordinating all interests relative to the staging of the games with the objective of assuring the International Olympic Committee that California is firmly behind the holding of the games in this state, and to sustain the award of the 1960 Winter Olympic Games to the United States, California and Squaw Valley.

Recommendation: That the Sacramento Valley Council join in petitioning the postmaster general to issue one or more commemorative 1960 Winter Olympic Games stamps, similar to the stamps issued for the 1932 summer Olympics at Los Angeles and the Winter Olympics at Lake Placid.

Rank Raised—

William Frey who is in the U. S. Army in Wisconsin recently was promoted to the rank of corporal, according to a letter received here by his mother, Mrs. Muriel Frey.

Marriage License—

Hugh N. White and Dorothy Neel, both of Truckee were issued a marriage license at Reno during the weekend.

CHURCH NOTES

Sunday is Laymen's Sunday in the Community Methodist Church. Besides two or three of the local laymen taking part there will be a speaker who is a layman from the First Methodist Church in Reno to speak. His name is Bob Bumbalough. Rev. Osman urges that everyone turn out to hear him as his messages will be a help to all.

Last Monday the Methodist Youth Fellowship held its installation service at which time Glenda Lakey was installed as president; Shirley Taylor as vice-president; Joyce Hallett as secretary-treasurer; Dorothea Freyand Glenda Lakey as co-chairman of Christian Fellowship; Sandra Frank as chairman as Christian Citizenship and Nelda Stone as chairman of Christian Outreach. Our next meeting of the MYF is Monday at 7 p.m.. Friday, October 28, is the date of our Halloween party.

Next week is the "Week of Prayer and Self-Denial" for the Women's Society of Christian Service. The emphasis will be concentrated in a one-day meeting on Wednesday, October 26 at which time a luncheon and a service will take place beginning at 12:30 p.m. The money given for this will go for special mission projects in Brazil, Burma, India, Korea, Liberia and here in the United States.

CARD OF THANKS

There are no words to truly express our sincere appreciation for the many cards, lovely flowers, kind deeds and expressions of sympathy given to us by the personnel of the Tahoe Forest Hospital and other friends during the illness and passing on of our husband and father.

Estelle and Aaron Thomas

Educational Group To Sponsor Spaghetti Dinner October 29th

The Tahoe-Truckee Educational Association met at its regular monthly session at the high school on October 18 with President James Brehler presiding. Members were present from Kings Beach, Tahoe Lake, Truckee Elementary and the Tahoe Truckee High schools.

It was announced at the meeting that a spaghetti dinner and Halloween party will be held at the Truckee Elementary school October 29. The dinner begins at 5:30 p. m. and is sponsored by the staff of the elementary school. The money netted from the dinner will be applied to the annual scholarship award that the T.T.E.A. makes to a qualified high school senior. Last year's $350 award went to Loma Sorensen of Tahoe Vista, now attending University of California at Berkeley. This year the association has pledged itself to increase the scholarship to $500.

The association also voted at the meeting to invite the governing board of the unified school district to attend the next meeting on November 15 at the Truckee elementary school.

Annual YMCA Meet Is Held In Truckee

The fourth consecutive annual YMCA Conference was held Saturday, October 15 at the high school with approximately 100 students attending. The following high schools were represented: Loyalton, Nevada Union, Downieville, Reno YMCA, Marysville, Alleghany, Carson City, Stewart, Pershing County and Tahoe-Truckee. Included in the day's activities were panels, entertainment, and a presentation of the topic, "What's Wrong, Kids," by Dr. Holstein, dean of the school of education, University of Nevada.

Other students, under the supervision of Miss Betty Raker, physical education instructor, represented TnT at the Reno playday last Saturday, sponsored by the Women Physical Education Majors and the Minors at the University of Nevada.

Attends Session

Dr. Allen L. Sklar of Kings Beach was among more that 2,000 family doctors attending the 7th annual Scientific Assembly of the California Academy of General Practice in San Francisco October 9 to 12.

Sprains Wrist—

Karen Smart fell from her bicycle on Sunday, sustaining a severe wrist sprain.

Visit Here—

Judge and Mrs. George Jones of Nevada City last week visited local friends.

In Reno—

Mr. and Mrs. William Ost of Donner Lake have gone to Nevada for the winter.

The first grain grown extensively by Americans in California was barley.

Niece Of Local Man Expires In Washington

Mr. and Mrs. Charles Heller recently learned of the death of his niece, Mrs. Reginald Amerman who died in Washington, D. C. Last rites were held in Trinity Episcopal Church and burial in Arlington National Cemetery in Virginia.

The deceased, a daughter of the local man's sister, was well known in official circles of the capital where she held several positions in the Farm Credit Administration, U. S. Office of Government reports, Office of War Information, War Assets Administration and National Labor Relations Board. At the time of her death she was holding a high position in government work.

Because of her activity in club affairs and the ladies of the Shrine in North America, friends established a memorial in her name in the form of a contribution to the Shrine Children's Hospital.

BOOKS AUDITED BY GIRL SCOUT GROUP

The Lone Troop Committee for Donner Troop III, Girl Scouts, met on Thursday, October 13, for the annual audit of the books. Mrs. Frank Giovannoni and Mrs. A. W. Close were endorsed as the leader and assistant leader for the coming year.

Troop activities for the past year were reviewed and plans approved for the coming year.

Donner Troop III is sponsored by the Truckee Rotary Club and members of the Lone Troop Committee are Mesdames Dave Rose, Preston Patnoud, Rex Reid and Messrs. Darrell Knofler and Ralph Frank.

TAXABLE SALES IN COUNTY ON UPGRADE

SACRAMENTO (CNS) — The state board of equalization today (Tuesday) reported that taxable sales in California during the second quarter of this year hit an all-time high of $4,476,600,000.

This was an increase of 17.4 per cent over sales of the corresponding period last year, and three per cent greater than the previous record set for a calendar quarter in the fourth quarter of 1954.

The figure also was 14.7 per cent over the first quarter of this year.

Board officials said the upsurge was due to record-breaking automobile sales and "a further substantial improvement in business generally.

The board reported a new high in retail sales during the three-month period which hit $3,150,000,000, an increase of 18 per cent over April, May and June of last year.

Taxable sales in Nevada County were reported at $4,617,000, a gain of 16.8 per cent over the second quarter of 1954.

Mr. and Mrs. Ed Smart of Oakland left Tuesday following a visit with Mr. and Mrs. Reg Smart.

Open House Success

More than 500 people Saturday night enjoyed the open house festivities at Smart's, the district's newest dining room, cafeteria and cocktail lounge. Following the buffet and inspection tour of the building, dancing was enjoyed until the closing hour with a local orchestra consisting of Robert Madge, James Pringle, Hugh Smith and Victor McLane, providing the music. Reg Smart and Eddie Sardi were hosts on the occasion.

Mrs. William Gautsche, and son, Roland, attended the auto races in Sacramento Sunday.

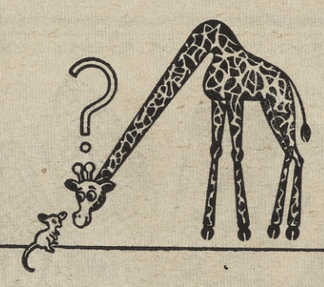
Prescription Pharmacists

To Which Extreme Are You Nearest...?



Some people go years without much attention to health. Others may need the Doctor on hand to start the day—every day. Between these two extremes are great numbers of thinking people caring for their health in an orderly manner.

They see their Doctor at regular intervals for guidance. They take the medicine he prescribes according to direction. They report unusual symptoms promptly. All these are common sense precautions and intelligent steps in health care, as is the practice of bringing your Doctor's prescriptions to this fine pharmacy.

LET ME SHOW YOU AROUND MY UNCLE'S FARM, PHIL

O.K.

YOU DON'T KNOW VERY MUCH ABOUT FARM LIFE, SO I'LL HAVE TO EXPLAIN EVERY-THING

FINE!

THAT'S A SILO AND TO THE RIGHT ARE HAYSTACKS

THESE ARE PIGS AND OVER IN THE POND - DUCKS

BUT ALL DAY I'VE WONDERED WHY THIS ONE LITTLE DUCK WON'T SWIM AROUND WITH THE REST

THE CAPTAIN AND THE KIDS ®

FURTHER FACTS -- AND FANCIFUL FABRICATIONS -- IN THE AFFAIR OF THE HABEAS APPLE

WITNESS THE WEARY WANDERER-WENDING HIS WAY, WIELDING A WEED, WHILING AWAY THE HAPPY HOURS IN WITLESS, WORDLESS WOOLGATHERING - IN SHORT - THE INSPECTOR.

BY R. DIRKS

WITNESS ONE WEE WIGHT -- WINSOME, WINNING, WITHOUT A WORRY IN THE WORLD, SOLE OCCUPANT OF A WEIGHTY WINESAP - TO WIT - J. WORTHINGTON WORM

WHO HAS IT BETTER?

WHZZZ

WHILE A WAGGISH WHIM OF FATE FINDS OUR WILTED WAY-FARER NEARBY IN A STATE OF SWEET SOMNOLENCE.

OH, WOE! (WHOA!) A WILY, WILLFUL, WANTON WHIFF OF WIND WAFTS THE WINESAP ON ITS WILD & WOOLLY WAY---

POP

GAD! AND NO INSURANCE!

IT WHOPS THE UNWARY WANDERER ON HIS WAVY WHITE WIG --- WHAT A WALLOP!

PLOP

MY ACHING BACK

HE WINCES, WAKES, AND WAXES WROTH-- (WHO WOULDN'T?)

BAH! A VORM HOLE IT GOT IN, EFEN!

10-23

BUT THE WEEPING AND WAILING OF WORTHINGTON WORM WORKS WONDERS ---

CHEE VHIZZ! POOR LIDDLE FELLER!

WHERE THERE'S A WILL, THERE'S A WAY, AND IN ONE WINK ---

SNIFF

YESSIR, A REAL GENT!

LIFF UND LET LIFF, DOT'S DER CHEESE!

ALL'S WELL WITH WORM, WAY-FARER, AND THE WORLD!

THE CAPTAIN
WENDING HIS WAY, WIELDING A WEED,
WHILING AWAY THE HAPPY HOURS IN
ITNESS THE WEARY WANDERER-
OH, HERE COMES PHIL NOW

STRANGE as it seems

ELSIE HIX

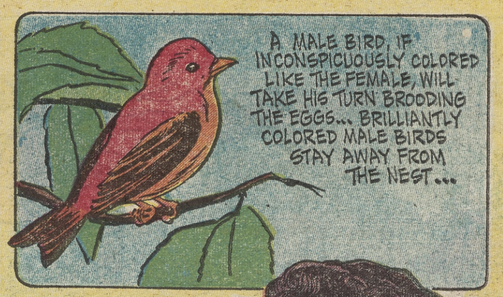
THE MINER'S MONUMENT!

TRUDGING A DISTANCE OF ONE AND A HALF MILES 4 TIMES A DAY FOR 29 YEARS, CARRYING A SACK OF COAL, MRS. CATHERINE DAVIA ERECTED A 300-TON PILE OF COAL IN HER BACKYARD AT MONONGAH, *W. Va.*, AS A MEMORIAL TO HER HUSBAND WHO HAD BEEN KILLED IN A COAL MINE EXPLOSION...
1907-1936
THE COAL WAS LATER DONATED TO LOCAL CHURCHES AND TO THE NEEDY...

A SMALL TREE GROWING NEXT TO A MADONNA, UPON REACHING THE HEIGHT OF THE STATUE, GREW AT AN ANGLE -- AS IF FORMING A PROTECTIVE COVERING ...
In the garden of Paul P. Wentz, Sherman Oaks, Calif.

A CAT-- *owned by Miss Judy Greenland, Eldon, Iowa,* JUMPS ON HER BED EVERY MORNING, TURNS ON THE BED LIGHT WITH ITS TEETH, THEN CURLS UP UNDER IT...

THE FINEST FISHING IN THE TOWN OF PALMIRA, *Valle, Colombia,* RECENTLY WAS FOUND IN THE TOWN'S BULLRING!
THE RIVER WHICH RUNS THROUGH THE TOWN OVERFLOWED, DEPOSITING THOUSANDS OF FISH IN THE BULLRING ...



A MALE BIRD, IF INCONSPICUOUSLY COLORED LIKE THE FEMALE, WILL TAKE HIS TURN BROODING THE EGGS... BRILLIANTLY COLORED MALE BIRDS STAY AWAY FROM THE NEST...

DIAMONDS ARE MEASURED BY SEEDS...
THE CARAT IS THE WEIGHT OF A SEED FROM THE ABYSSINIAN CORAL TREE

A FRONT-PAGE NEWSPAPER STORY STARTED VICE-PRESIDENT **NIXON** ON HIS POLITICAL CAREER...

A COMMITTEE FROM CALIFORNIA'S 12TH CONGRESSIONAL DISTRICT RAN A STORY PUBLICIZING THEIR INTEREST IN FINDING A REPUBLICAN CANDIDATE FOR THE 1946 PRIMARY...

NIXON WAS SELECTED FROM ALL WHO APPLIED, TOTALLY UNKNOWN IN POLITICS...

CURLY KAYOE

by SAM LEFF

WE SHOULD BE OVER THE SUNKEN TREASURE VERY SOON!

CURLY - WOULD YOU LIKE TO TAKE THE WHEEL?

I SURE WOULD.

HOW DO YOU FIND THE SPOT WHERE THE BULLION LAYS, HUNTER HORN?

THIS MAP I BOUGHT FROM A SAILOR SHOWS IT TO BE AT THE BASE OF PIRATES' REEF, CURLY!

THERE'S THE REEF JUST AHEAD!!

I'LL GET READY FOR THE DIVE, DADDY!

THE AQUALUNG ADJUSTS ITSELF FOR VARYING PRESSURES. A DIVER HAS COMPLETE FREEDOM BELOW!

GOOD LUCK, HARRIET!!

DON'T STAND THERE LIKE A STACHOO! SHOVE OFF - AND TAKE AFTER CURLY!

OWW! PLEASE - NOT IN THE NECK, CAP'N SYKES!

THIS IS ENCHANTING... IT'S SO PEACEFUL HERE!

10-23

THEY'RE OUT BY PIRATES' REEF - YA KNOW WHAT I WANT YA T' DO, DODGER!

AYE, CAP'N! WHEN WE GETS UP CLOSE I OPENS 'ER UP AN' RAMS 'EM AN' SENDS 'EM ALL TO THE BOTTOM O' THE SEA! (HEE-HEE)

SAM LEFF
